## Important information for authors

1. To make a decision on the entering of the report to the conference program, you must register on the conference website ***conf.mmi.kpi.ua***
2. Conference materials made in accordance with the requirements of the conference should be sent to the Organizing Committee through the conference website.
3. **Full text** of reports recommended by the Organizing Committee (after audition), meeting the requirements to specialized editions of Ukraine and executed according to publication requirements, are published in the «Mechanics and Advanced Technologies» ***http://journal.mmi.kpi.ua***

Journal «Mechanics and Advanced Technologies» included in the list of specialized publications of the HAC of Ukraine and international databases.

National Library of Ukraine Vernadsky

Ukrainian scientific SC «Dzherelo»

By the decision of the Scientific Council of Ministry of Education and Science of Ukraine, the publication «Mechanics and Advanced Technologies» has a special status in the evaluation of the results of state budget research works in section:  
**9.Mechanics, 11.Engineering**

conf.mmi.kpi.ua

Institute of Mechanical Engineering  
Igor Sikorsky Kyiv Polytechnic Institute

Kherson National Technical University

# XX ISTC

## PROGRESSIVE TECHNICS, TECHNOLOGY and ENGINEERING EDUCATION

September

10 - 13, 2019

Kyiv - Kherson

## Conference topics

Modern problems of deformable solid mechanics

Mechanics of plasticity of materials and processes with save resources

Applied fluid mechanics and mechatronics

Progressive technics and manufacturing engineering

Technological priorities in transport and transport infrastructure

Aviation and rocket-space technology

Problems of higher engineering education in Ukraine

## Payment for participation:

- for participants from Ukraine 600 UAH, for each

- for foreign participants 1000 UAH, for each

Participation in absentia with the publication of the conference materials is provided:

- for participants from Ukraine 150 UAH

- for foreign participants 250 UAH

Registration fee includes:

organizational expenses, the complete set of materials of conference (in which will be included the collection of conferences works), information support, tea and coffee in breaks

Payment for accommodation and travel to the registration fee is not included

Accommodation in the hotel complex

«Troyka»

vill. Zaliznyy Port
